

What: CAEP H-2A Worker Program

An Aggressively Priced Program to Help Farmers Hire Needed Workers

I have been using CAEP for over 15 years for my J-1 and H-2A workers. They bring a level of professionalism and one stop service for my trainee and worker needs. (awaiting approval)

Lou Gerten, Owner, Gertens Nursery, Minneapolis, MN

What I like about CAEP is their responsiveness to our needs. We need a service which we can rely on to give us quality-no hassle workers. CAEP takes care of all the details to make sure that the workers succeed in our operation. Thanks CAEP"

Who:

CA The Member Association

With over 40 years of helping farmers in areas of rural education, beginning farmer loan programs, health legislation, and immigration, Communicating for America (CA) has been there to help farmers preserve their way of life!

Now, CA has begun to offer access to workers to get the work done that is needed for farmers to survive!

CAEP The Administrator

For 20 years CAEP has helped over 20,000 young people visit the USA to work and train through J-1 visitor programs. For the past 10 years, CAEP has helped its J-1 hosts with their H-2A needs. Now, CAEP is teaming up with CA to offer their services and professional experience in providing CA members with the processing and management of H-2A workers.
